

## OpenOffice Demo Notice

The demo version of this product contains a static barcode that may be used for evaluation purposes only. It may be exported or imported and used within OpenOffice to prove its functionality. The static barcode cannot be changed because this would reveal the complete source code, which is only available in the purchased version. The purchased version is provided with a 30 day money back satisfaction guarantee. If it is necessary to test dynamic barcodes with this product, the purchased version is required.
